## THE GAZETTE.

FRIDAY EVENING, SEPTEMBER 27.

Col. Mosby.-The Warrenton Sentinel says: Maj. John Scott, of Fauquier, now in Europe, has just written, informing his friend here, that the Prussian War Minister-Count Bismark-has ordered a government translation of his late work, "Partizan Life with Mosby." for the purpose of adopting in the Prussian Service, the system developed by Col. Mosby, during the late war; regarding it as entirely original and effective. Also, that the Russian War Minister, and his Royal Highness-Crown Prince of Russia, have written him letters, in high commendation of Col. Mosby's newly developed system of warfare.

A few days ago we copied from the New York papers, several resolutions purporting to have been adopted by the Grand Lodge of Odd Fellows of the United States in relation to the non-payment of dues by members of subordinate lodges and encampments. It is now as certained that the resolutions referred to were STATIONERY and NOTIONS. merely reported, but not adopted, so that the payments are required to be made as usual.
